

Resolution 2026-22

Remove Stage 1 Fire Restrictions in Petroleum County, Montana

Whereas, Petroleum County, Montana has been under Stage 1 Fire Restrictions due to dry conditions and the potential for wildfires; and

Whereas, recent rainfall and improved weather conditions have reduced the fire risk; and

Whereas, it is necessary to reassess the current fire restrictions to determine if they remain appropriate;

Therefore, be it resolved by the Petroleum County Commission:

1. **Termination of Stage 1 Fire Restrictions:** Effective September 26, 2026, Stage 1 Fire Restrictions are hereby terminated within the boundaries of Petroleum County, Montana.
2. **Reassessment of Fire Conditions:** The Petroleum County Commission shall continue to monitor weather conditions and fire risks and may reinstate fire restrictions as necessary.
3. **Public Notification:** The Petroleum County Commission shall disseminate this resolution to the public through appropriate channels, including local media and public notices.

PASSED AND APPROVED THIS 21st day of September, 2026.
